

## REMARKS

This amendment is responsive to the Office Action mailed August 8, 2005. In that Office Action the Examiner pointed out several very minor errors in the phraseology of claims 1, 5 and 7. By this amendment Applicant revises those claims to correct the errors.

The application already otherwise being in condition for allowance, the drawings being accepted and prosecution on the merits being closed, allowance is solicited.

No additional fees are believed owed; if any fees are owed please charge Applicant's representative's deposit account no. 50-3116.

Please contact the undersigned with any questions or comments.

Respectfully submitted,
